Good afternoon,

Please read below arrangement for registrants from UNM:

- Co-authors of papers with main authors that are not from UNM will be charged of the regular fee for co-authors.
- Only ATTENDING AUTHORS (PRESENTERS) will be given IDs and Certificate of Participation. It is important to indicate if co-authors are ATTENDING or NON-ATTENDING so the committee can prepare IDs, meals, and other materials.
- The attached letter must be signed by the University / College Dean or Rector and must be submitted back to us not later than **Tuesday, June 25**, which is the deadline of confirmation.

Thank you!

Dear Eva and Team

I am Misnah Mannahali, one of Presenters in International Tesol Conference which will be organized by Universitas Negeri Makassar. I have attached payment proof and certificate of affiliation. I add a co-author, so I have 2 co-authors, as I think, every paper just consists of 2 authors, but after getting explanation from the committee, every paper can have 3 authors, so I add another co-author.

Thank you for your payment.

Please be informed that while you are allowed to add 2 co-authors, they should be all from UNM.

Yusri, is from Universitas Fajar. Based on the original payment voucher, he was free of charge because he was a 1st co-author non-attending regardless if he is a non-UNM staff.

In the document you sent me, he became the 2nd co-author non-attending. For this one, he has to pay \$100 publication fee.

And also kindly confirm if Syamsu Rijal (your 1st co-author) is a UNM staff?

Dear Eva Guzman

I'm so sorry, intrinsically Yusri is UNM Staff also, Universitas Fajar is his previous affiliation, now he is full UNM Staff. I forgot to change his affiliation when I submit my abstract. Syamsu Rijal also is UNM Staff. So, there are 3 writers of my paper :
